

Serve with the WOTFV AmeriCorps Program

AmeriCorps, sometimes described as the “Domestic Peace Corps,” is a national service program. Members serve their time to combat an identified area of need in a community.

WOTFV members will serve 900-1,700 hours from 9/1/2019-8/31/2020 to create a culture and environment that supports a healthy lifestyle through education and activities that promote active living and healthy eating.

Where can members serve during the 2019-2020 service year?

- **Calumet County Public Health:** Support physical activity and healthy eating programs in schools, childcare centers, food pantries, and community events.
- **Menasha Joint School District:** Support the hydroponic farm; outreach and nutrition education to students, staff and community
- **Mosaic Family Health:** Support Diabetes Prevention and Lifestyle Medicine programs; 1 on 1 wellness coaching; worksite wellness programs
- **Outagamie County Public Health:** Support schools, early care settings, and pantries to support county-wide nutrition and physical programs
- **Riverview Gardens:** Assists in the coordination of the Urban Farm and the volunteers who directly support the Farm.
- **SOAR Fox Cities:** Support the Special Olympics sports and athletes, provides health education to Adult Program participants.
- **United Way Fox Cities:** Support WOTFV efforts, implement worksite wellness activities.
- **UW-O Head Start:** Implement Farm to Early Care activities to students and families
- **Winnebago County Health Department:** Support breastfeeding initiatives and active living programs/opportunities within the community.

Benefits of serving:

- Professional development
- Hands-on experience
- Networking opportunities
- Make a difference in your community
- Living allowance stipend for your service hours
- Student loan forbearance
- Education award towards student loans or tuition costs. Members over the age of 55 can transfer the education award to their children.

Healthy people. Healthy communities.

Weight of the Fox Valley (WOTFV) envisions a community where healthy eating and active living are the norm, and all people have an opportunity to live healthy, achieve and maintain a healthy weight, and avoid a life of chronic disease. This will happen through collaboration and commitment from many diverse and influential partners and community members, working together to create a culture of health in Calumet, Outagamie, and Winnebago Counties of Wisconsin.

United Way Fox Cities and Oshkosh Area United Way together form the backbone of the WOTFV initiative.
